The library board adopts as part of its policy the following developed by the ALTA-PLA Common concerns Committee:

ETHICS STATEMENT AND CONFLICT OF INTEREST POLICY FOR PUBLIC LIBRARY TRUSTEES

Trustees must promote a high level of library service while observing ethical standards.

Trustees must avoid situations in which personal interests might be served or financial benefits gained at the expense of library users, colleagues or the institution.

It is incumbent upon any trustee to disqualify herself or himself immediately whenever the appearance of a conflict of interest exists.

Trustees must distinguish clearly in their actions and statements between their personal philosophies and attitudes and those of the institution, acknowledging the formal position of the board even if they personally disagree.

A trustee must respect the confidential nature of library business while being aware of and in compliance with applicable laws governing freedom of information.

Trustees must be prepared to support to the fullest the efforts of librarians in resisting censorship of library materials by groups or individuals.

Trustees who are elected to a library board are expected to perform all of the functions of library trustees.
